We invite you to discuss with us any questions regarding our services. The best health services are based on a friendly, mutual understating between provider and patient

I instruct the chiropractor to deliver the care that, in his professional judgment, can best help me in the restoration of my health. I also understand that the chiropractic care offered in this practice is based on the best available evidence and designed to reduce or correct vertebral subluxation.

I realize that an X-ray examination may be hazardous to an unborn child and I certify that to the best of my knowledge I am not pregnant. Date of last menstrual period (MM/DD/YYYY): _____

I grant permission to be called to confirm or reschedule an appointment and to be sent occasional cards, letters, emails or health information to me as an extension of my care in this office.

I acknowledge that any insurance I may have is an agreement between the insurer and me and that I am responsible for the payment of any covered or non-covered services I receive.

I authorize the staff to perform any necessary services needed during diagnosis and treatment. I also authorize the provider and or managed care organization, to release any information required to process insurance claims.

To the best of my ability, the information I have supplied is complete and truthful. I have not misrepresented the presence, severity or cause of my health concern.
